E&OE

vehicle listing - ignition components

Control Instruments Automotive supplies a wide range of Ignition Components for all makes and models of vehicles, and is proudly distributed under the globally recognised Echlin brand.

Echlin has been a leading ignition brand for over 60 years and the range is one of the most comprehensive in the industry and caters for the majority of South African passenger and light commercial vehicles.

The product range that is highlighted in this section covers Echlin Modules, Contact Sets, Condensors, Rotors and Distributor Caps for various vehicle applications. Vehicle manufacturers are listed in alphabetical order by Make, Model and Derivative, Year and Engine Types, providing easy reference to the relevant Ignition Component part number.
